

# Program of Excellence in Nanotechnology (PEN)

Integrated Nanosystems for Diagnosis and Therapy

Siteman Center of Cancer  
Nanotechnology Excellence (SCCNE)

## SEMINAR

Karen Wooley, PhD.  
PEN Principal Investigator

Samuel A. Wickline, M.D.  
SCCNE Principal Investigator

**Mark E. Davis, Ph.D.**

Warren and Katharine Schlinger Professor of Chemical  
Engineering

Member, City of Hope Comprehensive Cancer Center,  
Experimental Therapeutics Program

California Institute of Technology

“Nanoparticle Cancer Therapeutics:  
From Concept to Clinic”

NCI Alliance for  
**Nanotechnology**  
in Cancer

Thursday, September 17th, 2009

2:00 - 3:00 p.m.

Holden Auditorium

Farrell Learning and Teaching Center
